Notes

- We will gather in the cafeteria. Each team will have a table that will serve as their "home base" throughout the competition.
- Snacks and pizza to be sold from 8:00 to 12:00 by the Lady Raider Lacrosse Team
- 8:50 School teams dismissed from opening ceremonies to events
- **Parents will NOT be allowed past designated points in the school near the events. Please mind your stop points**.
- **Teams will ONLY be allowed to compete in their designated sessions.**
- Coaches, please pick up ribbons for 4th – 10th place in the **cafeteria** after the ceremonies.
- Let's do our best to remain positive, upbeat, and supportive of everyone – students, parents, event judges, and coaches! Coaches and parents are not permitted to question event judges directly, doing so is grounds for disqualification of that team for that event.
- We will have t-shirts for sale. Custom designs and variety of choices available.
- **Thank you to our Event Sponsors – Cobb EMC & Gas South for their continued support of Science & STEM programs in Cobb!**

Interesting Factoids:

- This year we have 36 separate schools competing!
- When we started the Cobb County Elementary Science Olympiad competition in 2006, we had 3 teams compete, and we met in Mt. Bethel Elementary School's cafeteria!
