

Who is ready for a Legendary competition with some awesome prizes??

Who? Any Cobb County teacher, whether you have used Legends before or not. Now is the time to make your class Legendary with our math and science games.

What? Legends of Learning, a district supported game-based learning platform for K-8 Math and Science

When? February 1st - March 19th

Where? In your Legendary classrooms

What is at stake? Bragging rights and some great prizes - \$25 and \$100 Amazon gift cards and amazing STEM board games

How do I get crowned CHAMPION? We will have weekly teacher winners and overall winners at the end for teachers and schools:

Teachers - 3 gift cards a week, each week.

1. For teachers who have never used Legends before Feb 1, 2020 - the winner is the teacher with the most student games played each week
2. For teachers who have used Legends before - the winner is the teacher with the most student games played each week
3. Random drawing of any teacher that used Legends with their students in that week

Principals - top 3 overall schools by usage at end of competition will win \$200 of STEM board games for their school!!! Some of the winning games are highlighted below:
